Re: AP Exams

This information refers to students wishing to take AP exams who are Edison residents and want an AP exam not being offered in your school.

For the 2017 AP exams, students wishing to take the AP exam will be registering online again with TotalRegistration. This registration will take a few minutes and can be completed from any computer with internet access.

This year each AP exam costs \$100.00. A cancellation fee of \$30 will apply.

Online exam registration will begin on Wednesday, February 1, 2017 and end on Wednesday, February 22, 2017. In order to register, students should click on the link provided on the school website or visit www.TotalRegistration.net/AP/310787 to register. To complete registration, students must answer all of the required questions. Registration is not complete until students have printed the pdf of the confirmation page that is provided at the end.

For additional information, please direct students to the John P. Stevens Counseling website. On the left-hand side they will see a link for Testing and then click on AP Exam Information.

Here are the important dates for the registration process:

Wednesday, February 1, 2017 - Registration Begins

Wednesday, February 22, 2017 - Registration Ends

Saturday, February 25, 2017 - Registrations that have not been paid for will be cancelled and exams will not be ordered.
